So — you want to be cap't huh. Well so do I — en garde.

AND it came to pass that, on the twelfth day of March in the year of nineteen hundred sixty five, a woman of Berkeley had a vision of a great flood destroying the world and that the rains would begin on the sixteenth day of the self-same month. She warned the people saying "Prepare yourself for the flood and build yourself great boats, for otherwise you shall all perish." All the people laughed except the men and women of Aragon. They preached to the others and began to assemble their belongings. The rains were to begin in the evening, so at noon a score of "faithful followers" prepared themselves for survival. Using the pool of Aragon, they tested their sturdy crafts and rain protectors. Fortunately the rains never came but we will always remember . . .

Look Gilmore you may be captain, but you're getting awful pushy.

Now that the year has come to an end, I want to tell you how very, very thankful I am to you for making this year the most interesting and exciting one in my life. My thanks to Mr. Allen, Mr. Marchi, and my teachers for always showing a desire to help and encourage me; thanks to Vicki for being a helpful and very nice sister; thanks to all my friends for letting me take part in your activities and be one of you. Aragon is a wonderful school; I will always remember the friendliness of the faculty and the students, and the interest you showed about me and my country.

The opportunity to share the daily life with people of a different background has made me realize that we are all basically the same.

The American Field Service has enabled me to understand to a greater extent the way of living and thinking of a nation great not only in size, but also in its culture demonstrated by its people.

Thank you again for this unforgettable year, which has brought into my heart so many wonderful memories, memories that will remain with me always!

Good luck to you all!

## photography club

In a dark room a photograph is born; a photograph so important in telling the story of an Aragon activity. This work is handled by the Photography Club, starting their first major year at Aragon. Led by their advisor Mr. Herbinaux, and co-ordinated with the Yearbook Staff, they use skill and imagination in producing their photographs.

ROW ONE: M. Wexler, J. Hardman, B. Gentry, R. Hamilton, Mr. Procopio, D. Takahashi. ROW TWO: B. Waters, J. Hopfenbeck, S. Anderson, F. Toriello, R. Holmes, S. Rose, Mr. Herbinaux.

A flashback of time and place brings us to the decade of the Roman Empire. There one night, they have a great feast of Caesar's mellow food and drink. At the same time men in chains are readied for the slave auction, to be held after the meal.

All of these customs are characteristics of the Latin Banquet, held annually. The password—well, just speak Latin!

The Future Teachers club is dedicated to the informing and encouraging of Aragon students who plan a career in the field of education. Instructional and realistic films and discussions about the teaching profession are the major attractions of the meetings, and a yearly field trip to observe schools in action takes place in the spring.

## ARTELL WINS FRESHMAN VOTING

The returns from the freshman Class election gave Steve Artell the presidency. Larry O'Connell was elected vice-president, and Dan Harvick, secretary-treasurer. Barry Vann, Executive Board representative. AGA representatives were won by John O'Connell and Becky Yamaguchi.

### Class Turnout

Over 90% of the class turned out to vote, "which shows the real interest and spirit which is an Aragon," stated George Ellington, Student Body President.

Under the present constitution, the counting of ballots is the responsibility of the Executive Board, according to George, taking of election returns will be handled by the Better Government Commission in the future. Assurance is the result of the assurance under which the Executive Board works.

The elected officers will get together and make plans for the Freshman Class year, such as fishing and fun nights. Worth mentioning will be the Freshman Advisors, Mr. Frank McGraw, assisted by Miss Ilse Gluckstadt and Mr. Harry Eagan.

## QUEEN ONE OF TEN SENIORS

Aragon's varsity football team has nominated ten Grid Queen candidates to vie for the crown at the 1964 Grid Classic and the Big Game with Hillsdale.

The ten senior nominees are: Avery, Evelyn Bohmker, Doll, Vicki Gadd, Jan Holm, Kathie King, Karen Krutt, Matt, Diane Scheideman, Miriam Teller, and Diane Toby.

Aragon's student-body cardholders will have the opportunity to elect the candidates of their choice. The nominee with the most votes will reign as the 1964 Grid Queen. The first and second runners-up will attend the Queen asesses. The Queen's Court will be made up of the other nominees.

### Grid Classic

The Queen will be crowned at the third annual Grid Classic to be held November 20. Aragon students, with guests from out of school, will attend this dance which is sponsored by the Block "A" Society.

The dress for the occasion is "dressy sport." Tickets go on sale the week before the dance. The price, although not yet determined, should be a couple for students with body cards. Students without body cards must pay \$2.50. Students who bring guests from other schools will be required to register their dates with the Dean's Secretary.

## Court and Commission Unite

The Aragon Student Court and the Order Commission, the two "law enforcement" bodies of Aragon Student Government, have been working hand in hand to keep our campus clean and safe. Chief Justice Wayne Schrader, and Order Commission head Doug McLain have been cooperating since the beginning of the year in this.

An example of their success so far this year is the practically overnight halt in student smoking on campus. The Order Commission has cracked down considerably on this problem. The Student Court has acted accordingly by giving out strict sentences for violators. First-time offenders will be asked to write out the first article of the Constitution, a nine-page assignment, and will be required to pick up papers every day for a week at noon. Second offenders will be referred to the

respective Deans and will receive a five-day suspension. If caught a third time there is a two-week suspension. "We still have a problem with the smokers," says Doug McLain, "but it will be eliminated by the end of the year."

Recently the court issued a sentence requiring a Senior who had jumped over the fence in the center court to make a sign showing that this is not permitted. Students are reminded, however, that the Court is not always this lenient.

A new innovation will soon be started by the Court and the Order Commission. This will be a special squad of Order Commissioners called "Floaters." This group will go and work in areas that need help. "In this way we can be assured that the entire campus will be clean," added Doug.

# varsity

Winning five out of eight games and putting together the team's best effort to date, the Dons barely missed taking part of the league championship when they lost to Hillsdale 7-0 in the Traditional. The Dons opened the season by beating a surprised Serra team 13-8. In its romp over Westmoor, Aragon scored a record 47 points. The team made it three in a row with its 27-0 League victory over Crestmoor. Capuchino handed the Dons their first loss of the season in a game played under the lights. Aragon fell short of beating Burlingame when a last ditch drive was halted inches short of a first down on the Burlingame five yard line with 30 seconds left in the game. The team rose to their high point of the season with two key wins over San Mateo and Mills. Led by O'Neil, Titus, Devincenzi, Neilson, Cort, Hains, Allen, and Connaughton in the backfield; Trueblood, Meeds, and Waters at the ends; Eason at center; bulldogs Christopherson and Brant, guards; and Swenson and Fadelli, tackles; Aragon continued to improve. This year Aragon has been especially fortunate in having four of its varsity players appointed to the all M.P.L. Team. The four chosen were Jim O'Neil, Bruce Allen, Fred Faddelli, and Mike Christopherson. Buddy Titus was given honorable mention.

At upper left are team managers Joe Niederreiter and Tim Portlock. At lower left are coaches Elmer Shaake, Charles Polk and head coach Gene Gorden.

The Aragon Frosh Football Team has shown a lot of effort this season and despite their losses never once did they lose their true Don fighting spirit.

Both Coach McKee and Coach Harney agree that with effort all around the team will make a good come back next year.

# cross-country

While this year's cross country has not been strong as a team, it has produced fine individual performers. The varsity squad was headed by Steve Skale, Brian Robertson, and Steve Carter. The Fresh-Soph's were paced by Gus Rochford and Bruce Cameron. Bob Louth and Tom Kemp joined these boys for the M.C.S. trials at C.S.M. With all but Carter returning, Coach Daskarolis plans on being high in league standings next year.

Two runaway victories over Hillsdale highlighted an 8-4 M.P.L. season for the Varsity Basketeers. In their top efforts this year, the Dons drubbed Hillsdale, 60-47 and 60-50 to gain some solace for the loss of the M.P.L. championship to San Mateo. Ironically, Senior center Bob Toschi broke his wrist in the last minute of the first Hillsdale game after having established himself as the league's top boardman. This and other factors lead to a 71-67 upset at Burlingame, and losses to San Mateo and Cap. While Toschi was the big man inside for most of the season, 6-2 Senior forward Bob Somerby, all-league guard in '64 was the top inside threat. With good outside shooting and a 17.3 league average, Bob broke Mark Jorgenson's scoring record with a 646 total. Seniors Red O'Neil and Wayne Schrader and Juniors Buddy Titus and Steve Dowd were also top players. At the end of the season Bob Somerby was chosen All League player of the year.

# b basketball

Although the "B" team finished low in the M.P.L. standings, the players have given many fine performances. In the preseason games in the Aragon B's defeated the Carlmont B's 36 to 29. In the Jefferson Tournament, the players brought the consolation trophy after defeating Oceana 40-31 and Terra Nova 52 to 38. The top scorers on the team were Murray Berger with 132 points, Bob Beebe with 116 points and Casey Young with 75 points. Bob Beebe was selected to be on the all M.P.L. second team and Murray Berger received honorable mention. Bob Jacobs won a spirit award since he received reminders from officials to keep his mouth shut!
